LOT 2

QUESTION	ANSWER
<p>1. The Lot 2 case study asks for a “breakdown of costs, as well as a total price, time and division of tasks among staff members”. It is furthermore indicated that the “price proposed for this case study must reflect the prices offered in the financial offer.” However, the financial offer for Lot 2 does not include the profiles typically required for the planning and implementation of a digital communications campaign. How do you expect tenderers to demonstrate the division of tasks between team members and how do you expect tenderers to provide a realistic breakdown of costs if these are not available as part of the financial offer?</p>	<p>Please see answer to Question No 3.
