QUESTION	ANSWER
<p>1. In reference to your answer to question 2 under Lots 1, 2, 3 (batch of 17.02.17), we understand that there is no need to quantify the number of units/man days for each profile in the budget of the respective case studies.</p> <p>However this answer seems to contradict the mention, in each case study scenario (Lots 1, 2, 3), of the following requirement: <i>'Please indicate a breakdown of costs as well as a total price, time and division of tasks among staff members.'</i> Would you please clarify if such a breakdown of costs would require or would not require to provide the number of man days in each case study budget?</p>	<p>A breakdown of costs is, in fact, required. The number of units/man days for each profile needs to be quantified in the respective budgets.</p> <p>The erroneous answer to the question initially published on 17.02.17 has been corrected accordingly.</p>
