N° 07/2018

THE GOVERNING BOARD OF THE SHIFT2RAIL JOINT UNDERTAKING ("S2R JU"),

Having regard to the Treaty on the Functioning of the European Union;

Having regard to Council Regulation (EU) No 642/2014¹ of 16 June 2014 establishing the Shift2Rail Joint Undertaking ("the S2R JU Regulation"),

Having regard to the Statutes annexed to the S2R JU Regulation ("the Statutes"), and in particular Article 23 thereof,

- (1) Joint Undertakings are public-private partnerships and as a consequence public and private interests are intertwined;
- (2) It is understood that the members of the Governing Board, the Innovation Programmes' Steering Committees, the Scientific Committee, and the States Representatives Group of the S2R JU have a professional interest to work for the S2R JU and to act for the good of the S2R JU, notably pursuing its objectives, observing the applicable rules and protecting its general interest;
- (3) Provisions on conflict of interests applicable to the S2R JU are already included in various documents, such as the Staff Regulations, the Conditions of Employment of Other Servants of the European Union (hereinafter to as the "CEOS")², the Financial Rules of the S2R JU for what concerns the staff employed by the S2R JU, the Rules of Procedure of the Governing Board, the Rules of Procedure of the Scientific Committee, the appointment letters of the Scientific Committee Members and the Rules of Procedure of the States Representatives Group, and the appointment letters of the Scientific Committee Members;

¹ OJ L/177, 17.6.2014, p.7

- (4) In accordance with Article 23(2) of the Statutes, it is therefore necessary to adopt at Governing Board level two separate decisions applying respectively to the S2R JU staff and to the bodies of the S2R JU, aiming to provide a comprehensive overview and complement the existing rules on the prevention and management of potential conflicts of interest, which would serve as a reference for all persons working or involved in the activities of the S2R JU, and ensure a comprehensive and coherent approach on conflicts of interest and the highest standards of administration, professional ethics, integrity and independence;
- (5) For the sake of clarity, this decision shall apply only to the members of the bodies of the S2R JU, other than the Union staff members as already subject to the CEOS, and should be adopted without prejudice to the existing rules and provisions on prevention and management of conflicts of interest as provided in any other applicable document as mentioned above under recital (3);

Article 4 - Definition of conflict of interest and personal interest

- 1. A conflict of interest refers to a situation where the impartiality and objectivity of a decision, opinion or recommendation of the S2R JU is or might be perceived as being compromised by a personal interest held by or entrusted to a member of the S2R JU bodies.

- 5. It is the responsibility of all members of S2R JU bodies to ensure that their conduct is in line with the rules regarding the conflict of interest in both letter and spirit. Each member of the S2R JU bodies shall assume an individual responsibility by declaring in good faith his/her interests and information to the S2R JU in compliance with the applicable provisions.

- 3. A member of any S2R JU body shall declare in writing and notify the chair of the respective body of any potential conflict of interest in accordance with their respective rules of procedures and appointment letters.
 - In cases where the Declarations referred to in paragraphs (1) and (2) or the notification referred to in paragraph (3) show a potential or apparent conflict of interests, it must be managed and solved by the competent body referred to in Article 6 before the member takes up/resumes his/her duties.
- 5. All members of the S2R JU bodies must promptly disclose all relevant information about a personal interest when circumstances change following their initial disclosure or when new situations arise. If at any time in the course of his duties a member of the bodies becomes aware of any potential conflict of interest or any appearance of a conflict of interest, the member is obliged to inform the relevant competent body referred in Article 6 by spontaneously submitting an ad-hoc Declaration on conflict of interest using the template set out in **Annex 3**.
