

# Curriculum Vitae

**BOERSMA, Arjen**

## CURRENT POSITION

---

### Name of company

ProRail

### Job position

CIO, Director ICT  
member Exec board ProRail

## PROFESSIONAL BACKGROUND

---

Arjen Boersma joined ProRail in 2012. After leading the IT information department and managing the CIO office, in 2020 he got the overall responsibility for the whole IT business as Director IT/CIO. In this role he oversees the day-to-day operations and is also responsible for the Dutch Railinfra managers IT strategy.

Before working in ProRail Arjen worked as consultant and quality and safetymanager for various consultancy firms, RWS and KPN, a Dutch telecom provider.

Arjen is member of the Supervisory board of Hitrail and is member of the Prima Digitalisation programme, an European Committee initiative (Platform of Rail infrastructure managers in Europe).
