

Curriculum Vitae

LUECKING, Joachim

CURRENT POSITION

Name of company

European Commission

Job position

Head of Unit Rail Safety and Interoperability

PROFESSIONAL BACKGROUND

Joachim Lücking has been Head of Unit for Rail Safety and Interoperability in the Directorate-General for Mobility and Transport of the European Commission since January 2025. In this role, he is responsible for implementing and developing European policy in this area, including oversight of the European Union Agency for Railways and Europe's Rail Joint Undertaking. Prior assignments in the Commission include several management positions in DG MOVE (aviation safety) and DG COMP (rescue and restructuring aid, antitrust in telecommunications, merger control for transport and other services).

EDUCATION AND TRAININGS:

Joachim Lücking holds a Ph.D and a Master in Business Administration from Erlangen-Nuremberg University (Germany) and a Master of Arts in Economics from Wayne State University, Detroit (USA).
