

EX-POST PUBLICITY

This publication is for information purposes only and does not replace the publication of an award notice in the EU Official Journal in accordance with the transparency obligations laid down in Articles 38 and 166 and Points 2.3, 2.4, 3.2 and 3.3 Annex I of the Financial Regulation¹. PPMT (Public Procurement Management Tool) currently does not support the publication of a contract award notice leading to multiple framework contracts in cascade. As soon as the contract award notice will be published in the EU Official Journal (using e-notice2) a link in the EU-RAIL web site will be published.

Tenderer ranked third in the cascade

Wyss&Lila Italia S.r.l.
Via Carciano 43
00131 Roma
Italy
VAT n°: 17629441001
Registration n°: RM – 1730937

The above listed successful tenderers are not subject to restrictive measures as defined in the procurement documents, have access to procurement and are not excluded under Article 138 or rejected under Article 143 of the Financial Regulation. The tenderers meet the selection criteria specified in the procurement documents and are not subject to conflicting interests which may negatively affect the performance of the framework contracts. Their tenders comply with the minimum requirements specified in the procurement documents and have been ranked as the most economically advantageous tenders based on the best price quality ratio award method.

The order in which the tenderers are listed above will determine the sequence in which they will be offered specific contracts during the implementation of the framework contracts.

Value of the contract : EUR 3,000,000.00 (excluding VAT) as the budget ceiling for the performance of the resulting framework contracts, including possible renewals and covering a maximum of 48 months from the date the implementation of the framework contract starts.
