

DECISION OF THE SYSTEM PILLAR STEERING GROUP

endorsing the Version 2 of the System Engineering and Management Plan

N° 7/2023

THE SYSTEM PILLAR STEERING GROUP OF THE EUROPE'S RAIL JOINT
UNDERTAKING, NOTES

- The System Engineering and Management Plan has been reviewed and updated.
- SEMP V2 is an enhancement of SEMP V1 based on feedback from Tasks and Domains that work in the System Pillar.
- All the annexes of SEMP V2 (some of them updated from SEMP V1, some of them new) are referenced directly in the main document. The main document also contains some sections identifying work to be done in next iterations of the SEMP. The changes between version 1 and version 2 are identified in Section 9 of the overview document.
- The System Engineering and Management Plan for review and approval has been followed.

THE SYSTEM PILLAR STEERING GROUP OF THE EUROPE'S RAIL JOINT
UNDERTAKING, AGREES

- To endorse the SEMP V2 main document and associated annexes.
