

DECISION OF THE GOVERNING BOARD

Approving the ranked lists of innovation actions selected for funding and the list of rejected proposals under the Europe's Rail call for proposals HORIZON-JU-ER-2026-01

N° 10/2026

THE GOVERNING BOARD OF THE EUROPE'S RAIL JOINT UNDERTAKING, (hereafter referred as "EU-RAIL")

Having regard to Council Regulation (EU) No 2021/2085 of 19 November 2021 establishing the Joint Undertakings under Horizon Europe and repealing Regulations (EC) No 219/2007, (EU) No 557/2014, (EU) No 558/2014, (EU) No 559/2014, (EU) No 560/2014, (EU) No 561/2014 and (EU) No 642/2014, and in particular point of Article 17(2)(u) and Article 19(4)(j).

Whereas:

- (1) On 2 December 2025, the EU-RAIL Governing Board adopted the Europe's Rail Work Programme 2026¹ (hereafter WP 2026). This WP 2026 was the basis for the launch of the call for proposals HORIZON-JU-ER-2026-01 (hereafter "Call 2026-01"), which was published on the Horizon Europe Funding and Tenders Portal on 4 February 2026 with a deadline of 7 May 2026, 17:00 (Brussels time).
- (2) The Call 2026-01 comprised a total of two topics open to entities eligible under the general rules of Horizon Europe Work Programme 2026-2027². The Call 2026-01 had its own dedicated budget line.
- (3) In return to its Call 2026-01, the Europe's Rail received five proposals for a total estimated value of EUR 25,368,978.25 and a funding request of EUR 21,802,005.41 (see Annex 1).
- (4) The proposals were verified for their compliance with the admissibility requirements and eligibility conditions of the call. During the verification, it was found that five proposals were admissible and eligible. One proposal was found inadmissible. The list and the detailed reasons for inadmissibility of proposals is provided in Annex 3 of the Decision.
- (5) The proposals submitted were evaluated by an evaluation committee composed of independent experts, as set out in Horizon Europe Work Programme 2026-2027 (General Annexes– Part D) and in accordance with the evaluation criteria set out in the EU-RAIL WP 2026 (Annex VIII). On the basis of this evaluation, amongst the proposals considered

admissible and eligible, the experts established a ranking list per topic (Annex 1 of the Decision). The experts recommended a priority order of proposals having equalled or passed all the award criteria thresholds (i.e.: “excellence”, “impact” and “quality and efficiency of the implementation”), as well as a list of proposals not retained for funding (Annex 2 of the Decision) since they did not meet the overall thresholds and/or one or more of the individual thresholds.

- (6) In accordance with the Horizon Europe applicable rules, one independent observer was appointed by EU-RAIL to observe and offer independent advice on the conduct and fairness of all phases of the evaluation process, on how evaluators apply award criteria and on how to improve processes. The report of the independent observer (Annex 4 of the Decision) concluded that this was an evaluation of high quality and the functioning and operation of the consensus process worked well and was conducted fairly.
- (7) The Governing Board took note and acknowledged the Report of the Executive Director on the outcome of the call for proposals HORIZON-JU-ER-2026-01 (internal reference Ares(2026)6166666), which includes the Call Evaluation Report with its annexes, as well as the evaluation summary reports which will be attached to the individual notification letters to be sent to the applicants (Annex 8 of the Call Evaluation Report). The Call Evaluation Report and its annexes was disclosed to the European Commission, whereas Annexes 8, 10, 11 and 12 of the report were not disclosed to the private Members of the Governing Board due to the risk of Conflict of Interest.
- (8) Having examined the results of the evaluation process as reported in the Call Evaluation Report, the Executive Director recommends:
 - To finance one activity per topic for the following topics: HORIZON-JU-ER-2026-FA6FA7-01 and HORIZON-JU-ER-2026-FA7-01, in the ranking order stemming from the independent experts’ evaluations (see “Main list” flagged proposals in the “Annex 1: EU ranked list(s)” of the Call Evaluation Report) for an indicative total amount of EUR 6 767 021.23.
 - In addition, and considering:
 - the provisions of the Call 2026-01, and
 - the intrinsic link and interdependencies of the proposed Flagship Projects within the Innovation Pillar, System Pillar and Group activities,

To take note of the fact that any substantial misalignment or inconsistency not satisfactorily addressed during the Grant Preparation Phase will be reported back to the Governing Board to establish a possible way forward, including the termination of the preparation phase without signature of the concerned Grant(s).
