CURRENT POSITION

Name of company

Asociación Centro Tecnológico CEIT

Job position

Managing Director

PROFESSIONAL BACKGROUND

Iñaki Díaz is the Managing Director of Ceit. With a dedicated career spanning over two decades exclusively at the centre (2004–Present), his professional trajectory includes the following roles:

- **Managing Director (CEIT):** January 2026 – Present.
- **Head of the Vision and Robotics Research Line (CEIT):** May 2022 – December 2025.
- **Research & Professional Roles (CEIT):** 2004 – May 2022 (Providing extensive research experience at the centre prior to his appointment as Head of Research Line).

Dr. Díaz holds a PhD in Mechanical Engineering from the University of Navarra (2008) and a degree in Business Administration from UNED (2015). An expert in mechatronics and robotics for Industry, he has led more than 30 high-impact research projects and holds four patents. Beyond his executive role, he is an Assistant Lecturer at TECNUN (University of Navarra), where he has been shaping future engineers since 2009.

EDUCATION AND TRAININGS:

Iñaki Díaz combines a deep scientific background with specialized executive training. He holds a PhD and MSc in Mechanical Engineering from the University of Navarra (TECNUN), where his research focused on high-precision robotics. To bridge the gap between the lab and the market, he earned a degree in Business Administration (ADE) from UNED and recently completed the Executive Leadership Program for Research, Tech Transfer, and Innovation Centers at the University of Deusto.
